For: SH (Assam)

Please find enclosed herewith minutes of the 56th PSFMC meeting held on 03.10.2022 wherein it is given that NAFED may dispose 292.50 MT PSF Urad K21 stock in Assam at DRP in view of the threat of pest infestation on account of high humidity.

Accordingly, you are advised to take necessary action for commencing disposal of PSF Urad K21 stock through e-auction process on multiple portals of empanelled Service Providers of NAFED.
